

After School Club impact

Participation results for September 2023 - July 2024

Headline results:

323 places were taken up in after school clubs across the whole school year. A total of 439 places were available across the year. This means a 74% uptake in after school clubs from September 2023 to July 2024.

74% of children (includes reception children) across the school have participated in an external sports event.

79% of children in KS1 have competed in at least one external sports event/club.

84% of children in KS2 have competed in at least one external sports event/club.

79% of girls have competed in at least one external sports event.

81% of boys have competed in at least one external sports event.

90% of Pupil premium children have participated in at least one external sports event compared to 85% of non-pupil premium children.
