

Coming back to school!

On Wednesday 11 th June I will be coming back to school!

Some things will be the same but some things may be a bit different.

I will have a smaller class when I come back and my classroom might look a bit different too.

But I will be with my Reception friends and in school.

When I come back to school I may not have my usual teacher. I may be with someone else that works in EYFS.

Mrs Alysha Wilkinson
Reception Teacher

Mrs Gemma Callaghan
Nursery Teacher, Deputy
Headteacher, EYFS lead, SLE,
EYFS moderator, DSL

But I will be able to see all my teachers at school during the day.

When I am in the classroom I will need to be careful not to touch others.

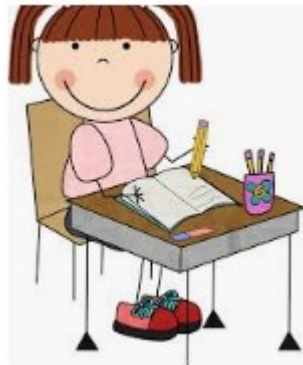

I can wave at my friends and give them a smile but I won't be able to hug them or hold their hands.

When I am in the classroom I will need to listen to the teacher and do my learning.

I need to stay in the same seat and table my teacher gives me every day, to help keep me safe.

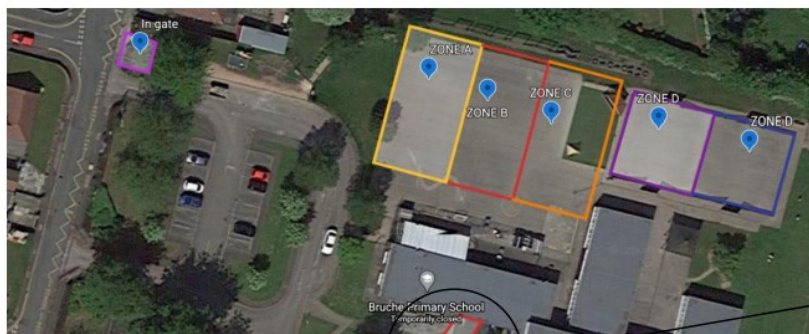

I will be given a special number that helps to tell me where I need to stand in the line, when lining up.

I will need to remember by number each morning and at the end of the day to help me line up in the same space.

At break time I will be able to play with my friends in my small group in the same zone each day.

I will have a special section outside that I can play in. I will only be able to play in this section with my friends.

At lunch times I will eat my pack lunch in my new classroom with my friends and teacher.

I will not be able to bring my own pack lunch to school. I will have a yummy pack lunch that my teacher will give me.

Lunch and break times might be a bit different but I will still have lots of fun with my friends.

When I need to go to the toilet I will need to wait for my turn.

I will not be able to go to the toilet with my friends and when I am in the toilet I must make sure I keep away from others.

After using the toilet I must wash my hands for 20 seconds with soap.

Reception are the first year group to come to school.

I wont see my friends in other year groups just yet but I will be able to see them soon.

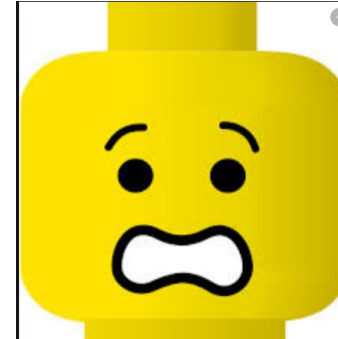

My family will still be able to pick me up every day at the end of school.

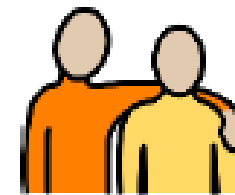

When I get home from school I must change my clothes straight away so they can be cleaned.

Its ok to feel worried about these new changes.

If I have any worries I can always talk to my family or teachers and they will help me.

My teachers can't wait to see me soon!
